E-POSTERS INSTRUCTIONS
## *Deadline : JUNE 17, 2025*

E-POSTER PRESENTATION FORMAT

– Your e-Poster must be under PowerPoint format, <u>one slide only</u>.
– The template (mandatory) can be downloaded from the conference website,
https://www.euroneuro2025.com/

– The dimensions of the e-Poster must be 132cm high and 75cm wide.
– The e-Poster will be displayed in « portrait » format.
– The size of your e-Poster PPT file must not exceed 10 MB.
– Use a minimum font size of 30pt to ensure that the text remains readable on the screen (60pt for the title).
– It is necessary to save your poster with the extension format « pptx » or « ppt ».
– For best visibility/readability, it's important to use classic fonts (Arial, Verdana, Times …) with a dark color on a light background.
– To ensure the best classification of e-Posters in the database, we ask you to register your e-Poster with the corresponding abstract number (e.g. 154.pptx).

*Format portrait 132*75*

RECOMMANDATIONS

For images and objects, it is best to avoid:
– Images that are too « heavy » (prioritize images smaller than 1 MB).
– Use .gif animation files.
– WMF images and WordArt objects.
– Use Flash.

HOW TO SEND IT?

The e-Poster must be submitted by TUESDAY JUNE 17, 2025, and must include the following information:

– The abstract number
– The poster title
– Full names of authors and co-authors, affiliations.
    You'll receive an e-mail with the link to the eSlide center (don't forget to check your spam folder).

For further information, contact contact@euroneuro2025.com.
